

Flyers Gymnastics Summer Special

Summer is the slowest time of the year for the Gymnastics Industry. With the good weather and vacations, many kids take off during the summer. Summer is, however, the BEST time of year to get involved with Gymnastics. Because the summer is slower than the school year, we are offering an incredible SUMMER SPECIAL. If you are new, this is your best time to try Gymnastics!

Pay for 4 classes and get 2 free.

We do this because we know many people take a vacation, and normally wouldn't want to sign up for an activity if they were going to miss a week or two. This way, even if you miss a class, you still get free classes.

- Convenient Class Times - During the summer, the kids are not in school, so we offer classes in the daytime, as well as in the evening for families who still work throughout the summer.
- Reduced Summer Registration Fee- Because our summer program is shorter than the school year program, we are reducing our registration fee for new students. The summer is a great time to try gymnastics to see if your child likes gymnastics. During the summer, we only ask a 6 week session commitment. In September our school year program runs until June and requires more of a commitment.
- Smaller Class Sizes - Due to smaller enrollment in the summer months, most of our classes are a little smaller than our already small class sizes. This means more individual attention is given to your child.
- "I'm Bored, There is nothing to Do" - Also known as the "Summer Time Blues", if you are a parent of a school age child, you know it's a matter of time before you hear the summer whining. The first couple weeks off of school are fine, but soon all day and nothing constructive to do will lead to whining and children engaging in activities you would prefer they didn't. Flyers Gymnastics is the solution for the Summer Time Blues!

Summer classes begin July 13th and end August 20th 2026 (6 weeks)

Flyers will be closed June 21st – July 5th 2026

Sign up for summer starting May 4th, 2026.

*****This Special DOES NOT apply to competitive team (xcel level 2 & up), pre-team, or advanced 2 . *****
